

# VISION

The La Tierra Trails will be a recreational destination for the people of Santa Fe that supports health, stewardship, and respect for the natural environment.

## Goals

- formalize a cohesive network of trails for a broad range of user groups
- acknowledge past users of the site and instill mutual respect among all users
- restore, maintain, and enhance the native ecology
- balance the establishment and use of the trails with a respect for the land and habitat for all users' enjoyment
- educate users of the trails to establish a strong sense of stewardship
- develop a signage plan that will allow safe and enjoyable use of the site
- create clear, safe and consistent connections to the trails from adjacent neighborhoods and to regional trail systems
- identify the roles and responsibilities of owners and users of the site

## Opportunities

- to raise awareness and respect for the natural ecology and wildlife of this open space area within the City limits
- to become a world-class mountain biking trail network
- to contain and enhance the BMX jump areas and free ride tracks
- to contain the first legal track for off highway vehicle use on public land within the City of Santa Fe
